Highlites

1. Bank balance \$3880.90
2. Our event expenses for the year (not including Annual) have come to \$129.93/ Cadet (about \$150/ Cadet after annual).
3. Suggestion to think about for next year – writing a cheque vs fundraising next year. Lots of work, only ½ of cadet families participated in the fundraisers over the year (some only 1x).
4. A fundraising prize of a gift card was approved to go to the family that sold the most product units in total for all the fundraisers.
5. No money donation will be made to the corp. from the society at Annual due to military regulations our financial requirements have increased dramatically.

Motion to accept the Fundraising Report made by E. Curtis, 2nd C. Spencer vote unanimous and carried.
